Documentation Project One

Team 3 - "Scoreless Doodad"

How will you divide up the work on this project? Perhaps you could build a web application for tracking projects.

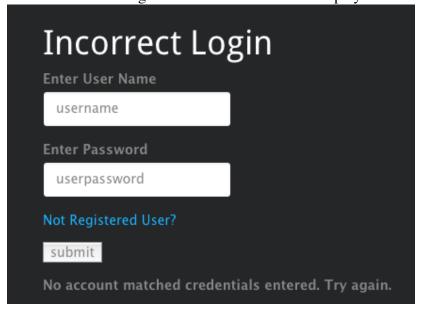

Team Members: Jhonny Castrillon, Akash Parekh, Andrew Hoang, Radley Obligacion, Neha Sudame.

HOME PAGE

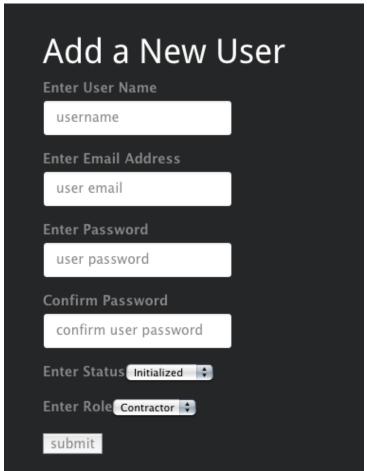

This is the home page of the site for Welcome to the Project Manager

| Welcome to the Project Manager Enter User Name username Enter Password userpassword Not Registered User? submit | | |
|---|----------------------|-----------------------|
| username Enter Password userpassword Not Registered User? | Welcome to | o the Project Manager |
| Enter Password userpassword Not Registered User? | Enter User Name | |
| userpassword Not Registered User? | username | |
| Not Registered User? | Enter Password | |
| | userpassword | |
| submit | Not Registered User? | |
| | submit | |
| | | |

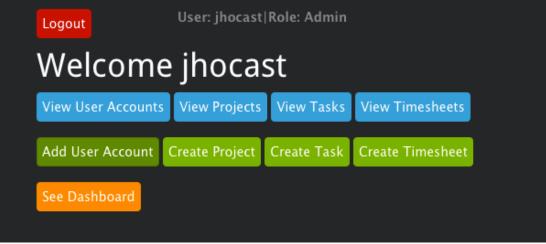

If the user has not registered and account it will display an incorrect login page

When the user clicks on Not Registered User link it will redirect to the newuser page which contains information needed to add a user to the website.

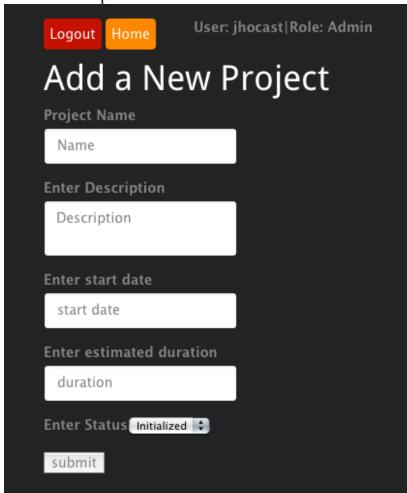

Once a user login they will be redirected to the buttons page containing the user options. The user is able to view other user information as well as Projects, Tasks and Timesheets

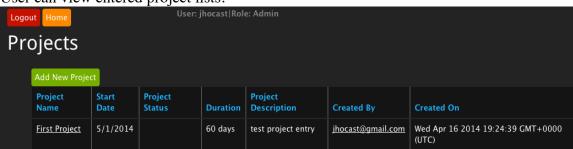

In this image the user is a Administrator

ADD NEW PROJECT PAGE
